REGATTA UPDATE

Another summer of terrific weather – just perfect for our annual regatta. Held at Nagaya Beach on Saturday August 18th, there was a great turnout of cottagers and locals from all around Kahshe Lake.

This was truly an all ages event with solid participation from kids of all ages and even the older folks partook in the swim races and other water events. A big hit this year were the land races: running, sack, three-legged as well as the endurance event: the hula hoop content. The events for the younger kids proved to be very popular: a sandcastle building contest, fish pond game, and minnow races. The art contest continues to captivate the attention of most kids and the quality of their work made judging very difficult. The water balloon toss and canoe races were well attended and pitted BFFs and family teams against each other in friendly competition. The final events, the tug-of-war and cardboard box boat competition, capped off this year's regatta. Ribbons were awarded for each event and at the end there was buckets of candy for the kids to fill up their own take-home bag.

A good time was had by all! See you next year. Bring your cottage neightburs and friends too!

*(*In some cases due to lack of participants we ran the Senior and Intermediate categories together. Our apologies for any misspelled or missing names, we tried our best to gather all in the information but it was challenging given the euphoria around winning.)*

A very special thanks to the many volunteers who made this event possible - from organizing and procuring materials, set-up, running the day's event and the tear-down. Scott Dunlop was our MC for the day with Shelly Dunlop playing some fun music. Thanks also to the nearby residents that helped out with pre-staging areas, power and water. A lot of hard work by a committed group of people made the event possible.

A BIG THANK YOU

Thank you to all those that volunteered their time and/or equipment for the Regatta, it takes many hands to make a successful event.
