

**QUESTIONS:**

Please provide a brief bio telling us about your connection to Kahshe Lake and any experiences you have had that will help you be an effective director.

My family purchased a total of almost 100 acres over the last two years immediately adjacent to the Denne Marina. We are very interested in revitalizing both the old stables and the dance hall on the property. Both of my sons-in-law have been engaged in making friends in the Kahshe Lake community and have become well-known in the area.

I have been on the board of directors for the Newmarket Chamber of Commerce, the Whitchurch Stouffville Chamber of Commerce, Women Entrepreneurs of Canada and the Canadian Dressage Owners and Riders Association. As part of my MBA from Queens I have had courses in leadership and advocacy. I am particularly interested in the social aspect of community engagement and have many ideas that I am plagiarizing from our HOA in Florida to get people involved in activities that will ultimately engage and benefit all members of the community as a whole!

Are you a voting member or a non-voting Friends of Kahshe Lake member in good standing of the Kahshe Lake Ratepayers Association ?

I really don't know my status - I know I registered my daughter Samantha when they first moved to the area. I do get the newsletters but I don't know if I personally am a member.

---

Please tell us why do you want to be elected as a director of the KLRA?

I want to be involved in decisions that affect the community as a I have a vested interest in the well-being.\_

Please share with us your skills or areas of expertise that you feel benefit the KLRA

I have been involved in fundraising events, social activities. I am very good at logistics, planning, and event organization. In fact, both of my daughters want to get involved in event planning once we have demolished the old dance hall and stables on the property and re-constructed these.

---

I unfortunately will not be attending the AGM as I have a previous engagement that day. My husband and I compete in ballroom and that Saturday I will be dancing at Blue Mountain as part of the Eastern Ontario Dance Championships held there in conjunction with their annual Salsa Festival.

***\*We encourage all nominees to attend the AGM. If you are not able to attend please advise us via the nomination email address so that we can provide you with proxy instructions.\****
